

Program Components:

I. College and Career Interns

Shore Way to College Interns are located at each of the three participating schools. The interns will support students with goal setting, college and career research, academic tracking and tutoring referrals. Students will have access to the CACI to develop an individualized plan setting short, intermediate and long-term goals for success.

II. College Prep Class: Kids' 2' College Program

The college prep class is a six week course developed by the Sallie Mae Foundation to provide students with a wide range of information about college and to explore careers. The goal of the class is to help students make the connection between college and job opportunities.

The College Prep Class is offered two days per week at two different locations.

- It Takes a Village to Help Our Children
- Garland Hayward Youth Center

III. College Tours

Shore Way to College students have the opportunity to become comfortable on a college campus by attending several college tours. Tours will be taken of the three local universities (Wor Wic Community College, University of Maryland Eastern Shore, Salisbury University) and also two trips will be taken to other Universities across the State of Maryland.

IV. Tutoring

Tutoring is available two days per week in multiple locations within the community and at school.

Youth Centers tutoring sites:

- It Takes a Village to Help Our Children
- Garland Hayward Youth Center

School tutoring sites:

- Somerset Intermediate School
- Crisfield Academy & High School
- Washington Academy & High School

V. Financial Aid Workshops

Shore Way to College provides financial aid workshops for the parents of eligible students to increase their knowledge of how to finance college. Workshops are held at each of the community youth centers. The workshops are conducted by local university financial aid offices.

VI. First Generation College Bound- College and Career Development Workshops

First Generation College Bound is a Maryland based agency that will support Shore Way to College students through college and career awareness assemblies and in depth career development workshops.
